IAAF - International Association of Athletics Federations ...

The International Association of Athletics Federations (IAAF) is the international governing body for the sport of athletics. It was founded on 17 July 1912 as the International Amateur Athletic Federation by representatives from 17 national athletics federations at the organization's first congress in Stockholm, Sweden. Since October 1993, it has been headquartered in Monaco.

International Association of Athletics Federations - Wikipedia

Track and field is a sport which includes athletic contests established on the skills of running, jumping, and throwing. The name is derived from where the sport takes place, a running track and a grass field for the throwing and some of the jumping events. Track and field is categorized under the umbrella sport of athletics, which also includes road running, cross country running, and race ...

Track and field - Wikipedia

Athletics was contested in the first ancient Olympic Games, and champions have been recorded from as far back as 776 BC. First and original. Throughout recorded sports history, athletics has always been practised.
