Chapter 1.1: Introduction to Research. You are here: AllPsych > Research Methods > Chapter 1.1: Introduction to Research. Introduction. Research is the cornerstone of any science, including both the hard sciences such as chemistry or physics and the social (or soft) sciences such as psychology, management, or education.

Chapter 1.1: Introduction to Research | AllPsych

To explain the world's population to young children, David J. Smith (2011) asked children to imagine the world as a small village. In 2016, The 100 People Project refigured the world's population since Smith and represented the world again as 100 people, where one imaginary person represents the population from the real world.
