Retail is the process of selling consumer goods or services to customers through multiple channels of distribution to earn a profit. Retailers satisfy demand identified through a supply chain. The term "retailer" is typically applied where a service provider fills the small orders of a large number of individuals, who are end-users, rather than large orders of a small number of wholesale ...

Compass Minerals Reports Above-Average Snow Events for the First Quarter. Compass Minerals announced today that first-quarter 2019 winter weather events in its primary North American deicing markets were above both the 10-year average and prior-year results, which helped offset the impact of mild weather in the U.K. as well as lower highway deicing sales commitments in North America.
