Health Policy And Politics A

Centene CEO Michael Neidorff gives Jim Cramer his thoughts about the state of the American health care system and breaks down moves his company is making.

Centene CEO: Health care must be about policy, not politics

Health policy can be defined as the "decisions, plans, and actions that are undertaken to achieve specific healthcare goals within a society". According to the World Health Organization, an explicit health policy can achieve several things: it defines a vision for the future; it outlines priorities and the expected roles of different groups; and it builds consensus and informs people.
