History Of Lego Sets

The History of Lego began in 1932 in a Danish carpentry workshop and continues into the 21st century as a popular and very profitable line of construction toys and related products and services, including Lego board games, retail stores, Lego video games, Lego films, Legoland theme parks, and Lego Serious Play consultant services, with a significant impact on various areas of popular culture.

History of Lego - Wikipedia

Lego (/ˈlɛɡoʊ / LEG-oh, Danish: ; stylised as LEGO) is a line of plastic construction toys that are manufactured by The Lego Group, a privately held company based in Billund, Denmark. The company's flagship product, Lego, consists of colourful interlocking plastic bricks accompanying an array of gears, figurines called minifigures, and various other parts.
