Get Certified in Bookkeeping, Tax Preparation & Quickbooks ...

Most freelance bookkeepers still bill their clients at an hourly rate. However, the flat-rate method is becoming increasingly popular. In this guide, we will explain how flat-rate billing works, compare and contrast hourly rate vs. flat rate and discuss factors like geographical location that can influence the freelance bookkeeper rates you can charge your clients.

Freelance Bookkeeping Rates: Hourly Rate vs. Flat Rate

The legislation should be of huge concern to all contractors; the financial ramifications of falling foul of IR35 can be significant so it is vital that everyone understands how it works.

On the other side of the table, the client has his or her own concerns, and none of them have anything to do with helping to grow your business and get you more clients. But assuming that you've done good work and the client is satisfied with your performance, it's not that they don't want to help you out.

How to Ask for Referrals and Get More Clients

AIPB, American Institute of Professional Bookkeepers, increases recognition of bookkeepers as professionals by keeping members up to date on changes in bookkeeping, accounting, tax, reporting and recordkeeping requirements, by answering bookkeepers' everyday bookkeeping questions, and by certifying bookkeepers who meet high, national standards.
