We are leading on calls for radical action to lower the nation's sugar intake, with measures ranging from lowering the recommended daily allowance, through to action on marketing, labelling, and sales taxes, and supervised tooth brushing schemes for younger children, all to help prevent tooth decay.

Sugar - British Dental Association

"Eat less sugar." It may be a short and sweet suggestion (pun intended) but the USDA's most recent dietary guideline has gotten some pretty long-winded responses from dieters, foodies, and health experts alike—and with good reason. This is the very first time our government has issued added sugar guidelines, recommending that we cut out sugar and keep our consumption of the stuff to no ...
