Masting and rigging the clipper ship and ocean carrier ...

Fore-and-aft rigged vessels. Less common rigging configurations are diamond stays and jumpers. Both of these are used to keep a thin mast in column especially under the load of a large down wind sail or in strong wind. Rigging parts include swageless terminals, swage terminals, shackle toggle terminals and fail-safe wire rigging insulators.

Rigging - Wikipedia

A classic piece of work, if you are really into or want to get into Masting and Rigging this is the book you want. For a number of reasons it makes sense to start with a Ocean Clipper ship and this book will give you a very sound grounding in it's subject matter.
