On Every Street (The Artists Trilogy) - Kindle edition by Karina Halle. Romance Kindle eBooks @ Amazon.com.

### **On Every Street (The Artists Trilogy) - Kindle edition by ...**

On Every Street is a prequel novella to Sins & Needles (book #1 in the series), which came out in January. What is awesome about On Every Street, is that you DO NOT have to read Sins & Needles first. According to the author, "It can be read before or after Sins & Needles and may also be read as a standalone."

### **On Every Street (The Artists Trilogy, #0.5) by Karina Halle**

On Every Street is a short story that can be read either at the very end of the "Artists Trilogy", or after part 1, Sins and Needles - which I did. It is not just another short story, not just another supplement with sparse little tidbits here and there, which do not add up to anything consistent.

I had the musical notations of the song "On Every Street" wrapped around my bicep. Javier said the song represented him more than anything could. He was the man who would travel to the end of the world for me. He was the one who would never give up. He looked at it and looked at me and I could tell he had branded himself on me forever.
