1. There is a great question about Lying, which often arises in the midst of our every day business, and gives us much trouble, that we may not either rashly call that a lie which is not such, or decide that it is sometimes right to tell a lie, that is, a kind of honest, well-meant, charitable lie. This question we will painfully discuss by seeking with them that seek: whether to any good ...

Introduction. Max Horkheimer, one of the founders of the Frankfurt Institute of Social Research established in 1923, coined the term critical theory in 1937. While the school failed to produce what could be called a systematic theory, it drew on, and interweaved, various philosophical strands and prominent themes of political and social thought, including historical materialism (Marxism ...

Voter turnout is the percentage of eligible voters who cast a ballot in an election. Eligibility varies by country, and the voting-eligible population should not be confused with the total adult population. Age and citizenship status are often among the criteria used to determine eligibility, but some countries further restrict eligibility based on sex, race, or religion.
