Kids have a lot of misconceptions about capacity, and they can really only be cleared up through hands-on exploration. Sadly, I don't think they get opportunities for this like we did when we were kids. Instead of playing in a sand box or with cups and bowls in the bathtub, kids are playing with iPads and Wii's. And so many districts (mine included) are taking away sand and water tables from ...

Media organizations are still grappling with the fact that on the Web, a page is only a tiny, tiny hyperlink away from any other. We've spent years trying to obfuscate this fact, at first refusing to "link out" beyond our artificial domain-spaces, then opening these "outside" links in new windows, building up elaborate schemes to suggest that these domain-spaces really are entirely ...
