National Open University of Nigeria - Wikipedia

Psychology covers seven core domains. You'll cover topics from each domain on an annual basis, building your understanding and critical insight incrementally throughout your degree programme:

Psychology (BSC HONS) C800 | Courses | Queen's University ...

For long-term success in school, business and life, learning HOW to think is far more important than learning WHAT to think.. Yet rather than serve as the core of any education worthy of a rational human being, we have relegated the teaching of logic, argument analysis and critical reasoning to specialty courses in universities that reach too few students, too late in their education.
