

The American Class System Divide And Rule

The American Class System Divide

The American middle class is a social class in the United States. While the concept is typically ambiguous in popular opinion and common language use, contemporary social scientists have put forward several ostensibly congruent theories on the American middle class. Depending on the class model used, the middle class constitutes anywhere from 25% to 66% of households.

American middle class - Wikipedia

In the United States, the lower class are those at or near the lower end of the socio-economic hierarchy. As with all social classes in the United States, the lower class is loosely defined and its boundaries and definitions subject to debate and ambiguous popular opinions. Sociologists such as W. Lloyd Warner, Dennis Gilbert and James Henslin divide the lower classes into two.

Growing Partisan Divide Over Fairness of the Nation's Tax System. Only about a third of Americans approve of 2017 tax law. As the April 15 tax deadline approaches, overall public views of the fairness of the nation's tax system have changed only modestly since 2017, before passage of major tax legislation.
