

*The Next America Boomers Millennials And The Looming  
Generational Showdown*

### **The Next America Boomers Millennials**

Everyone likes to bash millennials. We're spoiled, entitled, and hopelessly glued to our smartphones. We demand participation trophies, can't find jobs, and live with our parents until we're 30.

### **How the baby boomers — not millennials — screwed America - Vox**

1. Not everything we attribute to millennials is actually unique to them. Many older professionals in the workforce throw around the term millennial in a negative way. As a result, many millennials have begun to hate the label because of all of the negative connotations that come with that title.

### **CNLP 254: Haydn Shaw On Leading Through Generation Tension ...**

Generational differences have long been a factor in U.S. politics. These divisions are now as wide as they have been in decades, with the potential to shape politics well into the future. From immigration and race to foreign policy and the scope of government, two younger generations, Millennials ...

### **The Generation Gap in American Politics | Pew Research Center**

Who are the Millennials. It depends on who you're asking. The age range varies. But the Pew Research Center defines Millennials as the people who were born between 1981 and 1996. And Gallup, which uses roughly the same time window, estimates that there are approximately 73 million Millennials in America.. Millennials already are the largest segment in the workplace.

### **Key Statistics about Millennials in the Workplace ...**

Millennials: Different Than Their Parents. The Millennial "Youthquake" was different than their parents. They grew up in the digital revolution that began in the 1980s, where the advancement of technology saw the shift from mechanical and analogue electronic technology to digital electronics.

### **Millennials, The 4th Industrial Revolution, And ...**

We know that millennials are different. They're not working the same way as their parents. They aren't marrying in the same way. And they aren't motivated by work to give to charity or volunteer ...

### **Millennials are actually more generous than anybody ...**

The past five decades have seen large shifts in U.S. society and culture. See how Millennials today compare with their grandparents 50 years ago.

### **How Millennials today compare with their grandparents 50 ...**

Much has been written about millennials. They are entitled. They are fickle. They are sell-outs. At times, these are described as their good traits. Regardless of how you feel about millennials ...
