I loved The Red Hat Club and this one is just as good. It shows true friendship supporting friends enduring a cancer diagnosis & treatment, the admission of drug and alcohol addiction and struggles involved in their recovery. It has you laughing one moment and crying the next. Just a good read. Probably more for the fifty something crowd.

Haywood Smith, in her book THE RED HAT CLUB, captures the spirit of the young southern "Mademoiselle" in the 60's. The Mademoiselles evolve into "Red Hats" in this delightful and entertaining book. I couldn't put it down. I laughed aloud at the authors witty descriptions and wiped away my own bittersweet "memories" as they flooded down my cheeks.
