Tibak Rising: Activism in the days of Martial Law. Seven years later the book was launched on July 21, 2012 in the University of the Philippines, Diliman — timed to complement the events commemorating the generation of anti-martial law activists who offered their lives in the struggle against the Marcos dictatorship.

Tibak Rising: Activism in the days of Martial Law

Tibak Rising: Activism in the Days of Martial Law. History books tend to gloss over the details of everyday life; life histories capture the warmth and color of these encounters. On a sad note, the stories also highlight the irony of events that unfolded later, of former bosom friends becoming bitter enemies, of paranoia turning comrade...

The word tibak is a slang term taken from the syllables of aktibista (activist) that became popular among the youth during the martial law period of the 1970s and early 1980s. Ferdinand C. Llanes's edited collection of short essays is an anthology of different tibak stories from the tibak themselves or people who were close to them.
