Sample Exam Question Answers 1. Explain the structure of the OS and the role of each layer. The user communicates with the OS through a series of user programs which consist of a library of prewritten functions. These libraries and user programs are connected to the OS kernel. The kernel can be viewed as a collection of functions that user

Sample Exam Question Answers - UCC CS

Only send papers after the students have taken the exam. For example, do not send Autumn papers at the beginning of June with the Summer papers. 10. An email is sent to the person submitting the exam papers once they are loaded and ready to view. Due to the large volume of papers received we are not in a position to review content.
